

PORTASCIUGAMANO SIRIO

SIRIO TOWEL BAR / PORTE-SERVIETTE SIRIO

- 1) VITE DI FISSAGGIO / fixing screw / vis de fixation
- 2) STAFFA POSTERIORE / back bracket / attache arrière
- 3) STAFFA ANTERIORE / frontal bracket / attache frontal
- 4) PERNO / hinge / pivot
- 5) ASTA PORTASCIUGAMANO / towel bar / porte-serviette

A) INTRODURRE L'ASTA (PUNTO 5) NEI DUE PERNI (PUNTO 4) ESERCITANDO UNA LIEVE PRESSIONE PER INCASTRARLA.

A) Set the bar (point 5) in the two hinges (point 4) with a light press.

A) Introduire la barre (point 5) dans les pivots (point 4) en exerçant une petite pression.

B) AVVITARE LE DUE STAFFE ANTERIORI (PUNTO 3) AI PERNI.

B) Screw the frontal brackets (point 3) to the hinges.

B) Visser les attaches frontaux (point 3) aux pivots.

C) DECIDERE DOVE POSIZIONARE L'ACCESSORIO E APPOGGIARLO ALLO SCALDASALVIETTE. ALLENTARE LE VITI DI FISSAGGIO (PUNTO 1) E RUOTARE LE STAFFE DI 180° PER AGGANCIARLE AI TUBI, FACENDO ATTENZIONE A NON STRISCIARE LE SUPERFICIE.

C) Decide where to install the towel bar and proceed with the brackets installation. Unscrew the fixing screws and spin 180 degrees the brackets to fasten them to the pipes, paying attention not to scratch the surfaces.

C) Choisir où installer le porte-peignoir. Dévisser les vis de fixation pour positionner les attaches arrière et les tourner de 180 degrés pour les accrocher aux tuyaux; faire attention à ne pas érafler la surface.

D) BLOCCARE PRIMA UNA DELLE DUE ESTREMITA' FISSANDO CON LA VITE (PUNTO 1), REGOLARE LA POSIZIONE DEL PORTASCIUGAMANO E SUCCESSIVAMENTE FISSARE ANCHE LA SECONDA ESTREMITA'.

D) Tighten the first extremity fixing the screw (point 1) and, before fixing the second one, regulate the right position of the towel bar. Then fasten the second extremity.

D) Fixer la première extrémité en vissant la vis (point 1), régler la position du porte-serviette et après fixer aussi la deuxième extrémité.
